

### **Vision of the Deanship of Student Affairs**

"Excellence and global leadership in student activities and services"

### **Mission of the Deanship of Student Affairs**

"To provide distinguished student activities and services and graduate highly skilled student cadres who are able to compete locally and internationally, through the provision of extracurricular activities, high quality infrastructure and equipment according to the best international standards."

### **Core Values:**

#### ***Quality and global leadership***

The Deanship of Student Affairs is working to update their systems and work out mechanisms to achieve quality and global leadership in accordance to best practices in the leading universities in the field of student activities and services.

#### **Participation and teamwork**

The Deanship of Student Affairs is committed to consultation with all interested parties and providing opportunity for everyone to express his opinion on the issues involved.

### ***Justice and fairness***

The Deanship of Student Affairs is committed to applying the principles of social justice, fairness, equality and equal opportunities, and cultural intellectual diversity.

### ***Transparency and accountability***

The Deanship of Student Affairs is working on the follow-up and evaluation of performance through the establishment of regulatory neutral regimes to verify the transparency and accountability.

### ***Respect for trends and tendencies***

The Deanship of Student Affairs fully respects and appreciates all the tendencies and trends to achieve full respect for human rights.

### ***Capacity assessment and preparations***

The Deanship of Student Affairs is working to take the necessary measures for the development of personal abilities and the preparations of the students in order to encourage creativity, innovation and excellence.

### ***Equal opportunities***

The Deanship of Student Affairs is committed to consolidating the principles of equal opportunities among students (males and females) and Deanship employees.

### ***Community participation***

The Deanship of Student Affairs is working as part of the community which interacts.
